

SIXTH FORM CAREERS LAUNCH & LEAD

Our Sixth Form Careers Programme focuses on three key themes: career readiness, leadership and transition to adulthood. It builds on the KS4 Plan and Prepare journey and prepares students for life beyond college. Activities are mapped to Gatsby Benchmarks and incorporate Skills Builder essential skills.

YEAR 12

LEADERSHIP

Students develop leadership and employability skills through employer engagement, university visits and exposure to workplace environments. The focus is on building confidence, communication and planning for future pathways.

- University Visits
- Subject Alumni Talks
- Workplace Exposure (WEX)
- Widening Participation Support
- Medical Pathways

YEAR 13

TRANSITION

Students prepare for life after Sixth Form by refining their career plans, engaging with external providers and completing applications. The emphasis is on decision making, independence and readiness for adulthood.

- UCAS and Apprenticeship Application Support
- External Careers Talks
- Parent Communication and Guidance
- Mock Interviews
- Building on skills and behaviours for the workspace
